

# FOOD-TRAK BOOT CAMP

## Camp Description

FOOD-TRAK® Boot Camp is an exciting 4-day course focused on learning how to become a proficient FOOD-TRAK user and drive cost savings to your organization's bottom line.

You will be armed with the knowledge to construct, operate and maintain an effective food and beverage database. You will also learn and practice effective inventory techniques and methods, rapid and accurate recipe building, forecasting, ordering and procurement approaches. Additionally, you will gain competence with requisitions and transfers, waste and fabrication control variance tracking and report analysis.

This course was created and is presented by System Concepts, Inc., developer and manufacturer of FOOD-TRAK software.

## Objective

FOOD-TRAK Boot Camp is simply the best defense against escalating F&B costs. Our main objective is to help you bulletproof your F&B operation. Boot Camp will provide you with working knowledge of the FOOD-TRAK System, process flow, task operations, management and reports, arming you with everything you need to win the food cost battle.

## Training Exercises

FOOD-TRAK System Overview	Procurement
Database Design	Entering Requisitions and Transfers
Managing Users and Security	Entering/Importing Sales Mix
Working with Recipes	Running Reports
Designating and Tracking Key Items	Profit Centers
Menu Engineering	Electronic Ordering and Bidding
Performing Nutritional Analysis	Report Analysis and Action Planning
FOOD-TRAK Mobile Partner Functionality	Getting Help
Taking Inventory	Downloading Upgrades

## Tactics

Working on your own computer workstation and the latest version of FOOD-TRAK, you will be led by your drill sergeant through a series of lectures explaining the 'how to' functionality of each process, followed by practice exercises outlined in the comprehensive Boot Camp training manual. This "real world" foodservice operation approach prepares you to return to your place of business and make effective use of the FOOD-TRAK system.

Each graduate will receive a training manual and useful handouts, along with a certificate of course completion.

**Come to Boot Camp and get control of your F&B operation!**

# FOOD-TRAK BOOT CAMP

## Registration and Fees

FOOD-TRAK Boot Camp is typically held in our specially-built computer training center in Scottsdale, AZ. Space is very limited for this course. Advanced registration is required. The deadline for timely registration (accompanied by payment) is 14 days prior to the first day of the course.

Fee for the four-day course is \$995 per person. A special, discounted rate of \$895 per person is available if payment is received in full at least 14 days prior to the seminar date. Additional attendees receive \$100 off the registration fee. Payment can be made using a company check, Visa or Mastercard. Late registration (within 14 days of the seminar date) will be accepted on a space-available basis only. Payments are non-refundable if cancellation occurs within 14 days of the seminar unless we are forced to cancel or reschedule the course. SCI reserves the right to cancel seminars in the event of insufficient registration or events beyond our control. Pricing is subject to change without notice.

To register by mail, simply fill out the registration form below. Mail a completed copy of the form and your payment or credit card information to:

### System Concepts, Inc.

Attn: Training Department  
15900 North 78th Street  
Scottsdale, AZ 85260

If paying by credit card, you can fax the registration form to (480) 951-2807. You can call (800) 553-2438 to register by phone or you can register using our website at [www.foodtrak.com](http://www.foodtrak.com).

## We Can Airlift FOOD-TRAK Boot Camp to You!

If you have a larger squad that needs training, we can bring the Boot Camp to you. Contact your sales representative today for more details on how we can bring FOOD-TRAK Boot Camp to the comfort of your own barracks!
